

Safeguarding statement

Elite Youth Rugby (EYR) is committed to providing an environment that is safe and supportive and safeguards and promotes the welfare of children and young people within a culture that allows all customers to feel confident about raising concerns about their own and others' safety and well-being.

EYR takes all reasonable steps to ensure that staff working with children and young people within the organisation are competent and safe to do so, through following stringent recruitment procedures, providing training, enforcing a staff code of conduct and having clear procedures to follow when concerns are raised.

We regard safeguarding as everyone's responsibility and, where appropriate, we will work in partnership with other organisations to effectively safeguard and promote the welfare of children and young people.

EYR recognises that all children and young people have an equal right to protection and we are committed to applying the standards laid out in our [Safeguarding Policy and Procedure](#) consistently, regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.
